

**16. CITIZEN REQUEST TO ADDRESS THE BOARD  
MRS. JENNY BUNN**

Attached herewith please find correspondence from Mrs. Jenny B. Bunn, CPA, requesting to speak to the issue of increased coyote population and related safety concerns.

Her written request is consistent with Sec. 2-45 of the Southampton County Code and she has been advised that the matter has been placed on your agenda.

**NOTE:** As a refresher, I'm attaching certain handouts distributed at your mini-retreat in late 2007 regarding the coyote population. You may recall receiving briefings from Dr. James Parkhurst, the Extension Wildlife Specialist from Virginia Tech and other representatives from USDA Wildlife Services and the Virginia Department of Game and Inland Fisheries.
