

**18. LATE ARRIVING MATTERS****A. COOKOUT – THURSDAY MAY 28**

MidEastern Builders will be hosting a cookout at noon on Thursday, May 28, at our shop building on Old Bridge Road (former I.P. Forestry Building) for workers, suppliers, subcontractors, designers and all that are involved in our wastewater project. They'll have fried chicken, BBQ, steamed shrimp, etc. and wanted to invite county staff and particularly, members of the Board of Supervisors. After lunch, they'll be available to provide a tour of the new construction at the wastewater treatment plant and influent pump station. Please let me know if you'll be able to attend so that I can provide them a final headcount.

**B. REGIONAL OLF MEETING WITH SUSSEX AND SURRY B.O.S.**

Mr. Steinberg, our Washington attorney, has suggested that it may be prudent to convene all three governing bodies to evaluate the Navy's progress in preparing its environmental impact statement and discuss next steps once it's released later this summer. We've reserved space at the Airfield Conference Center for Monday, June 15, and the meeting will include dinner.

**MOTION REQUIRED:**

Rather than adjourn today's meeting, it will be necessary to move to continue it to Monday, June 15, 2009 at 6:00 p.m. at the Airfield Conference Center.

**Subject:** MEB Cook out!

Mike

We are planning an appreciation cook out for next Thursday May 28th immediately following our monthly meeting with the County at the shop on Old Bridge Road (around noon). We are inviting all the workers, subcontractors, suppliers and design team to this event and I wanted to make sure we invited everyone from the County as well. This is a great opportunity to have County officials and members of the Board on site for lunch and to give them a hard-hat tour of our project. We have plenty of hard hats and it should be a great time, hope you can attend. The menu will include Fried Chicken, Barb-b-que, steamed Shrimp and all the fixin's. If you could, please help us get the word out and let me know how many folks from the county will attend so that we can plan accordingly.

Sincerely

Steve Bunting
