

**MEDICAL EXAMINER**

This budget is level funded at \$500 this year.

Formerly, the cost of death investigations was \$50 each, of which the state reimbursed us \$30. Now, no reimbursement is involved — we simply pay \$20 per investigation.

Pursuant to § 32.1-283 of the Code of Virginia, the following deaths are required to be investigated by the Medical Examiner:

- any death from trauma, injury, violence, or poisoning attributable to accident, suicide or homicide;
- sudden deaths to persons in apparent good health or deaths unattended by a physician;
- deaths of persons in jail, prison, or another correctional institution, or in police custody (this includes deaths from legal intervention);
- deaths of patients/residents of state mental health or mental retardation facilities;
- the sudden death of any infant less than eighteen months of age whose death might be attributable to Sudden Infant Death Syndrome; and
- any other suspicious, unusual, or unnatural death.
