

2. HIGHWAY MATTERS**A. WATCH FOR CHILDREN SIGNAGE**

Attached for your consideration please find a resolution directing the installation of three (3) "Watch for Children" signs in the Country Roads Estates subdivision. The request is consistent with the Board's policy adopted in October 1997 (copy also attached). The cost of installing the signs comes out of the state secondary system construction budget.

MOTION REQUIRED: A motion is required to approve installation of three (3) "Watch for Children" signs.

B. RESOLUTION REQUESTING VDOT TO INCLUDE CERTAIN SEGMENTS OF RT 731, RT. 1220, RT. 1221 IN THE SECONDARY SYSTEM OF HIGHWAYS AND TO ABANDON CERTAIN FORMERLY USED SEGMENTS.

This is a housekeeping item brought to our attention by the VDOT Central Office staff in Richmond. Notwithstanding adoption of a similar resolution in 1998, the VDOT staff has prepared another resolution to "clean-up" some loose ends remaining after construction of the Rt. 58/35 overpass at Southampton High School. The resolution officially abandons 0.5 miles of the right-of-way of old Route 35 and 0.11 miles of old Route 731, adds 0.10 miles of Rt. 1220, 0.03 miles of Rt. 1221, and 0.11 miles of new Rt. 731, and transfers 0.18 miles of old Rt. 35 from the Primary system to the secondary system of highways.

MOTION REQUIRED: A motion is required to approve the attached resolution.
