

11. PROPOSED DECAL FOR REFUSE COLLECTION

As you discussed while deliberating discontinuance of the vehicle license decals, we will need to maintain some control of access to our refuse collection centers.

Accordingly, we are recommending issuance of permanent decals that will be affixed to vehicle windshields in the same location as the former decals. These decals will not be issued annually and are intended to remain on the vehicle as long it is operable.

Please find a brief report attached which lays out the process for issuance of the new decals as well as a mock-up illustrating the proposed look and layout. Provided you are in agreement, we will notify residents of the upcoming change in their 2009 personal property tax bills and begin issuance of the new decals in January 2010.

MOTION REQUIRED:

If the Board is so inclined, a motion is required authorizing issuance of the permanent RCS decals.
