

**6. CAPITAL FUNDING REQUEST
SEDLEY VOLUNTEER FIRE DEPARTMENT**

Attached for your reference, please find a capital funding request from the Sedley Volunteer Fire Department. They intend to apply the proceeds towards retirement of debt on their 2008 Pierce Fire Truck.

Capital funding in the amount of \$14,000 has been set aside for each fire department in FY 2010 and \$7,000 has been budgeted for each volunteer rescue squad. Funds are earmarked annually for each department or squad and held in escrow pending specific approval by the Board of Supervisors. Escrowed funds continue to accrue for each department/squad if they are not drawn down.

The attached table indicates the status of capital appropriations since FY 2000. As you can see, the request is in order. Through September 21, 2009 we've collectively appropriated \$1,191,500 for fire and rescue improvements and are holding in escrow an additional \$288,500.

MOTION REQUIRED:

A motion is required to approve the capital funding request of the Sedley Volunteer Fire Department in the amount of \$14,000.
