Mike,

I recieved a list of candidates last week. State level VCE sent me ten candidates for interview. I have scheduled an initial telephone interview tomorrow for all candidates. I will narrow the list to about 4-5 depending on the strenth of the pool of candidates. I will then follow up with a local interview to include extension personnel, county representation and a farmer or two, and farm bureau. Please bear with me, on September 1st I inherited the Northeast District as a result of a peer's retirement. That now gives me 37 counties and cities and over 80 agents that I am responsible for. Things have been pretty hectic for the last two weeks and I really do not see a break in the near future.

Lonnie,

Can you please provide me a status report - our Board meeting is next Monday and I'd like to update them on where we are in filling the position.

Thanks,
Mike
