

**16. LATE ARRIVING MATTERS****A. PPEA PROPOSALS – TURNER TRACT/WETLAND BANK**

Conceptual stage PPEA proposals for certain site development work associated with development of the industrial park and development, financing, construction and sponsorship of a compensatory wetland and stream mitigation bank are due by 4:30 p.m. on Friday, September 25. I'll provide a brief report Monday regarding the number of proposals received. We'll be evaluating the proposal(s) over the next month and will provide comments/recommendations at your October 26 meeting.
