

March 17, 2020, 12:00 P.M. – In accordance with the National, State, and Local Declarations of Emergency related to the COVID-19 pandemic, the Southampton County Office Center is closed to the public through March 27, 2020. We will reassess the situation at that time, and based on current conditions, may reopen or continue to restrict public access.

Commissioner of the Revenue employees will continue to report and seek to serve the public remotely.

We will be available by phone, email, or fax. If forms need to be returned or processed by our office, there is drop-off box located on a pedestal near the front door of the Southampton County Office Center.
