

TOWN HALL MEETING Southampton County, Virginia Fire and EMS Service Delivery

Earlier this year, the Southampton County Board of Supervisors requested the Virginia Fire Services Board to undertake a comprehensive study of fire and emergency medical services in Southampton County. The study will be reviewing several areas of responsibility within the fire and rescue services in order to maximize opportunities for improvement and enhance the overall quality and coordination of Fire and EMS service delivery to its citizens.

There will be a Town Hall Meeting for the residents of Southampton County on Wednesday, September 25, 2019 at 5:30 p.m. in the Board of Supervisors Meeting Room, Southampton County Office Center, 26022 Administration Center Drive, Courtland, Virginia. This town hall meeting will allow all residents an opportunity to discuss their concerns on Fire and EMS service delivery with the study team in an open forum.

Interested citizens are invited and encouraged to attend.

Michael W. Johnson, Clerk
Southampton County Board of Supervisors
