Dear Mr. Johnson:

The North Carolina & Virginia Railroad is applying for funds for rehabilitation of our rail line in Boykins, VA by the Virginia Department of Rail and Public Transportation. However, a resolution is required from the locality in which the rail line passes in order that funds may be provided by the Commonwealth Transportation Board.

If you would act favorably on a resolution supporting funding by the Virginia Department of Rail and Public Transportation to the North Carolina & Virginia Railroad, it would be very much appreciated. With your support, a strong rail transportation system will continue to exist to serve industrial growth in our county. I have enclosed a sample resolution that may assist you in the development of an acceptable resolution.

If you have any questions, please give me a call at (252) 332-2778.

Sincerely,

Jamie R. Williams  
Office Manager
